

Welcome to The New Jersey Amusement Association!

NJAA is a pro-active organization, identifying concerns, while working for the safety, health and overall economic betterment of the amusement industry.

- **NJAA monitors and supports legislation that benefits our industry.** As a member you will be kept informed of pending legislation and regulations concerning Ride Safety, Gaming Issues, Labor, ADA, Environmental and Health Codes. The NJAA employs a legislative lobbyist and attorney to keep vigilant watch over changing regulations.
- **NJAA promotes the serious business of having fun in a safe manner as a vital element of the state's economy.** We work to develop good will towards the industry and to encourage the safe public enjoyment of amusement rides, games and businesses.
- **NJAA publishes a quarterly newsletter, as well as an annual membership directory and is on-line.** These communication avenues provide you with updated information on the association and the amusement industry.
- **NJAA is a socially active association.** In addition to our General Membership Meeting at the IAAPA Convention, we sponsor social events including our Annual Dinner Dance, Amusement Industry Day at Six Flags Great Adventure, Annual Golf Outing and Scholarship Cocktail Party. The association also produces the NJAA East Coast Gift & Variety Show, a regional tradeshow for the industry.
- **NJAA Scholarship Fund was formed in 1990.** This fund awards educational scholarships to high school students entering college and college students continuing their education who have been employed by a member of NJAA.
- **NJAA maintains successful working relationships with other associations;** including IAAPA, OABA, NJ Business and Industry Association, Campground Association, United Garden State Restaurant and Lodging Association, International Association for the Leisure and Entertainment Industry, International Amusement and Leisure Defense Association and the NJ Chamber of Commerce.
